

“The Largest Not-For-Profit National Trade Association Of Repossession Specialists Since 1936”

Allied Finance Adjusters Annual Convention NO RAIN ON OUR PARADE

Weather forecast for June 21st thru 24th 2017 100% Beautiful!

It was an exquisite June afternoon at the Sheraton San Diego Hotel & Marina where 514 repossessioners from all across the nation converged into what was hailed as the industry event of the year! Additionally, several dozen industry vendors stood at their booths ready to offer goods and services.

The event kicked off socializing with old friends and networking with the 50 plus clients that were present. They ranged from Prime to Subprime, Credit Unions and Buy Here Pay Here's.

The event was jam packed with much anticipated education. Michele Stuart - Jag Investigations updating us on Social Media concerns and Internet Profiling. CFPB training with Michael Howk and Mabelle Morris, Dr. John Shaffer a former FBI agent enlighten us in the art of behavioral analysis. RSIG led the way, to inform us of industry regulations that are set in place for the near future. NSC Professional Truck Driver Training and so much more! The education offered at this conference was a benefit to all. Numerous professional agents and clients came up to me thanking us for putting on such a great event.

We had the formal swearing in of our new members, bringing our membership to 297. For over 5 years Allied Finance Adjusters has held the record as the largest national trade to the industry!

Plenty of food was served and networking continued outside in the picturesque background, did I mention the weather was amazing?

The event came to a close with the presentation of awards at our formal dinner followed by the RABF auction and raffle which raised over 23 thousand dollars.

This is just some of the many highlights of this year's event, great education and a fun time with old and new friends.

If you haven't joined Allied Finance Adjusters, what are you waiting for? Be a part of the largest trade association in the nation and you too can share in our future educational training conventions. As you can see you will not be disappointed.
