Allied Finance Adjusters has the Solution!

Many of you may already be aware of the notice of intent to cancel every trade association’s current \$1,000,000 and \$5,000,000 insurance policies by the carrier, Travelers Insurance Company. This stems from a six month long investigation by the Texas Department of Insurance (TDI) regarding the crime policies the associations in the industry have been providing to its members.

It has taken hard work and diligence to acquire our new insurance broker Brunswick Companies, we have been able to secure new policy options for our members. This program was put together specifically for Allied Finance Adjusters and is underwritten by oldest insurance company in the United States, The Hanover Insurance Group. With their guidance and experience we are confident that this program is compliant with the needs of our members and clients in all 50 states including our members in Puerto Rico. I have reached out to many of our clients and determined that the new policy will meet their requirements. The clients were very pleased that we were able to resolve and secure a solution to this industry wide situation for Allied members.

Allied has and will always stand behind its members so they are confident in the benefits of belonging to our great association. We continue to provide our members with the best education and training seminars two times per year, first at our Annual Convention and again at our Midyear meeting. At this years annual convention in San Diego, California June 21st – 23rd we will be discussing our solution to this issue as well as CFPB compliance training and much more.

We are thankful for the opportunity and support by both the Brunswick Companies and The Hanover Insurance Group. We are confident they will provide our members and their clients with excellent service. We look forward to a long-lasting business relationship. Moreover, we sincerely appreciate having the support by both companies to stand behind their product and their clients.

I wish to thank Brunswick Companies and The Hanover Insurance Group for their dedication, time and the creation of policies specifically designed for the professional members of Allied Finance Adjusters
