2015 is "**The Year of the Client**" don't miss out on being part of the Largest, Oldest, Not-For-Profit National Trade Association of Young Repossession Professionals "Allied Finance Adjusters"

**"Truth in Advertising"** AFA has no hidden charges or extra fees! Our "**Flat Rate**" annual membership dues are the most affordable in the industry! The AFA board of directors voted years ago to remove the annual "AFA Convention" fee from the yearly renewal dues. Why should you pay in advance for an event you may not attend? The truth is in our numbers. Here is the History of our "**Flat Rate**" annual membership dues. And flat rate is, the same rate for all!

2012 - \$1,450.00  
2013 - \$1,350.00  
2014 - \$1,250.00  
2015 - \$1,200.00

**How do we do this?** It's in the numbers, the more members the lower the annual dues. AFA is a true 501c Not-For-Profit trade association, established in 1936.

Our application process is not 3, 4 or 5 steps, Just a 3 page fully automated secure online application!

No need to provide your printed credit report and other highly sensitive documents. Our 3rd party vetting company will handle all of that securely, as well as inspect your physical office and storage location. Don't fear the inspection! If you need to make minor changes to meet our strict requirements we are here to help! Oh did we mention our non refundable background check and physical inspection fee is only \$300.00 that is less than half of any other trade in our industry! Not ready to take that leap today, no worries each quarter the annual membership rate is prorated.

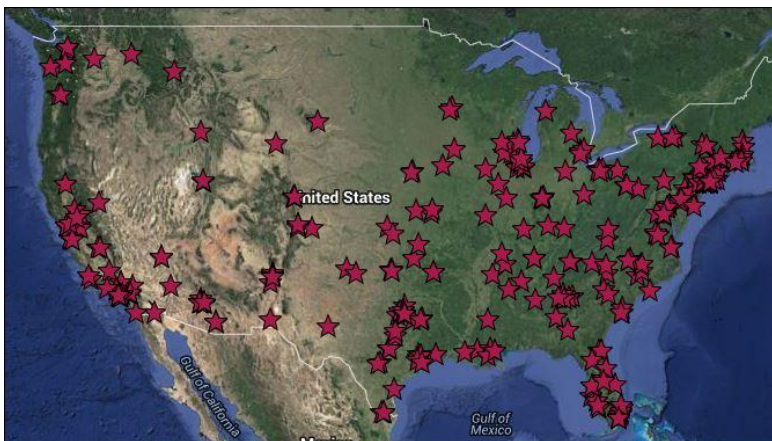

A word about "**Refer-tos**" Yes we could charge you for each additional city you list in our printed directory. But why would we want to take your money like that? **This is 2015 folks!** Clients love the directory's mostly to look at the photos of the members and to do a quick major city search. We know, we have asked them.

Allied's State-Of-The-Art member search function returns all members up to a 250 mile radius from your physical office zip code. We even list the miles from your office to the debtors city or zip on the results page! The clients want efficiency, they want the closest agent to their debtor period! That is why Allied does not allow [Ghost or Phantom office listings](#). Once again "**Truth in Advertising**" folks.

While other trades are busy marketing towards the younger professionals, our answer to that is simple! Attend an "Allied Annual Convention", this is who we are. The majority of our members are younger, innovative, brain storming, technology driven professionals. Want proof? Check out our "[Videos](#)" page of our past events and see for yourself!
